

International VLBI Service for Geodesy and Astrometry (IVS)

10th Anniversary Celebration

Bordeaux, France – March 25, 2009

Université Bordeaux 1 – salle Agora

Opening

- 14:30 – 14:35 Opening (Patrick Charlot, France)
14:35 – 14:40 Welcome Address from the IVS Chair (Harald Schuh, Austria)
14:40 – 14:45 Welcome Address by the Vice-President of Bordeaux 1 University (Prof. Jean-Baptiste Verlhac)

Session 1: History of the IVS

(Chair: H. Schuh)

- 14:45 – 15:05 Building the Geodetic VLBI Network (Tom Clark, USA)
15:05 – 15:25 How was the IVS Established? (James Campbell, Germany)
15:25 – 15:45 Highlights of the first 10 Years of the IVS (Wolfgang Schlüter, Germany)
15:45 – 16:15 Coffee Break

Session 2: The IVS and the Geodetic Services *(Chair: A. Nothnagel)*

- 16:15 – 16:20 Greetings from the International Association of Geodesy (Herman Drewes, Germany)
16:20 – 16:35 VLBI and Global Navigation Satellite Systems: IVS and IGS (John Dow, Germany)
16:35 – 16:50 VLBI and Satellite Laser Ranging (Graham Appleby, UK)
16:50 – 17:05 VLBI and DORIS (Frank Lemoine, USA)

Session 3: The IVS and the other VLBI Networks *(Chair: P. Charlot)*

- 17:05 – 17:10 Greetings from the International Astronomical Union (Jan Vondrak, Czech Republic)
17:10 – 17:25 The IVS and the European VLBI Network (Franco Mantovani, Italy)
17:25 – 17:40 VLBA Contributions to Astrometry and Geodesy (Jim Ulvestad, USA)
17:40 – 17:55 VLBI in Eastern Asia and Pacific (Hideyuki Kobayashi, Japan)
17:55 – 18:00 Closing Remarks (Harald Schuh)
18:00 – 19:30 Reception
20:30 – 23:00 Conference Dinner
